

Quiz 2

Due: TBD

General instructions for quiz: Your code must be completely reproducible and must compile. No late homeworks will be accepted.

Advice: Start early on the quizzes early and it is advised that you not wait until the day of as these are meant to be longer and worked on within a group environment.

Commenting code Code should be commented. See the Google style guide for questions regarding commenting or how to write code <https://google.github.io/styleguide/Rguide.xml>.

Problem statement

This is a group assignment, where you will complete one of the assignments from quiz 1 that a team from our course believes is a good assignment on entity resolution.

Please work through the quiz assigned to your team, and submit it!
